Lesson 1.2

Captain and Crew

At the time of departure the crew of The Unity consisted of 36 members. A number of crewmembers knew each other well, they had made several journeys together. The captain was lord and master aboard his ship. Prior to departure the crew was required to sign the ships articles, this document explained the rules they needed to abide by.

1. What is the importance of a compass?	3. What do you think is a log (or log line)?
2. Why was a chart useful to bring?	
Rules and regulations ach crewmember was required sign the ships articles, as such declaring will abide by the ships rules and regulations. That could those rules and regulations have een? Write down as many as you can.	**Southern or as several to produce a mode in Core a several and the core and the c
