## Lesson 2.2

## Extreme weather

The crewmembers were all responsible for running and maintaining the ship. A number of tasks were set on paper. There was enough work to be done. The crew began each day with prayer lead by the captain. At 8 o'clock everybody needed to get to work.

(1)	Watches
\ <b>-</b> /	vvaluut.

On board the crew was divided into watches, a watch lasted four hours, there was a dog watch, afternoon watch, middle watch, forenoon watch, first watch and a morning watch.

Write down which watch goes with which times:

How do you think these watches were divided over the crew?

(2)	Гіте
-----	------

There was no clock on board.

How do you think time was measured?
