Lesson 4.2 The Middle Passage

The passage from Africa to the America's, the Middle Passage, was the most infamous part of the triangle voyage. Sailing for weeks on end without land in sight must have been horrendous. The Unity left Africa with 319 enslaved Africans, 33 crewmembers, 42 large barrels of fresh water, food supplies and firewood and nearly 4000 'Middelburg pounds' of ivory. The journey across the Atlantic lasted nearly two months.

① What is the origin of the proverb? One hand for yourself and the other for the ship = This proverb was originally used as a safety warning on unpredictable seas. Try to think of the origin on the proverbs below:	do not neglect your own safety. ng for those working at sea to ensure their own safety
A stern chase is a long chase = it takes time to catch up when equally matched What might be the origin of this proverb?	
Batten down the hatches = prepare for disaster	Between the devil and the deep blue sea = a choice
What might be the origin of this proverb?	between two unattractive alternatives
Prepositions The preposition 'for' in itself is somewhat meaningless. 'Prepare' is a verb. By combining the verb and the preposition the	3 Make sentences Can you make five sentences about sailing with a
